FINANCIAL POLICY STATEMENT

It is our policy to bill your insurance carrier or other provider of medical benefits as a courtesy to you, although you are responsible for the entire bill when the services are rendered. Required co-payments and estimated co-insurances are to be made as services are rendered and arrangements are to be made for payment of all amounts not covered by your medical benefits or estimated co-insurances as soon as those amounts are known. If your medical benefits are not paid within sixty (60) days, the balance will be due in full from you.

All co-insurance percentages paid at time of service are estimated. Your actual liability may be more. You are responsible for any difference between the estimated and actual co-insurance due.

If any payments of medical benefits are made directly to you for services rendered by Partners In Motion Physical Therapy, you must promptly remit such payment directly to Partners In Motion Physical Therapy.

If you are a Workers' Compensation patient the above policy does not apply to you. Be advised, however, that you may be responsible for your charges if your Workers' Compensation claim is successfully controverted.

If you fail to make timely payment for any amount for which you are responsible, you will be responsible for all costs of collection, including court costs, collection agency fees and/or a reasonable attorney fee.

I have read the above information and/or it has been explained to me and I accept the terms and conditions of the above and will be responsible for the payment of my account.
